Re: Julio Alvarado 20-cr-00199-kmw  
Modification of Residence

Dear Judge Cave:

I represent Mr. Alvarado who was recently released from MCC jail last week due to the Covid-19 outbreak. At the time of his release his daughter secured a room in an apartment for Mr. Alvarado to live. But it turns out the initial residence is only a room with no functioning kitchen or refrigerator for storage. Due to the stay at home pandemic and home confinement as per the Court's condition of release, Mr. Alvarado has moved to a new apartment where he can abide by the Court's conditions of release. He can also provide for himself food to cook and store, while not leaving his apartment.

Mr. Alvarado requests the Court allow this modification of residence due to the public health crisis known as the Covid-19 pandemic. I have spoken to pretrial services and they do not object.

The original proposed residence was 1252 West Farms Road, Bronx, NY 10459. The new address is 1287 Union Ave., apartment #3, Bronx, NY 10459.

Thank you for your attention to this matter.

Very truly yours,

---
